

## GLENWOOD UIP – Membership Application Form

This is a no cost application which gives you, as a UIP contributor, voting rights as per the Glenwood UIP'S Memorandum of Incorporation (MOI). Only registered members of the company will have the right to vote at the AGM or other general meetings of the company.

This provision was included in the MOI to assist the board in managing the UIP membership database and quorum requirements.

It is important to note that the Glenwood UIP is a legislated body and this compels all commercial property owners within the UIP area to pay the UIP levies. Choosing not to become a voting member does not in any way, change your liability to pay your UIP levies.

### 1. Property details

Property Erf number

Rates number

Physical Address of  
Property
